*Resubmitted

Dear Madam:

Reference is made to the "Minor Coinage Metal Fund Depository Account" as it is reported on sheet 5 of your Bullion Account Current for October 1954.

Mint Accounting Procedures Letter No. 182, dated September 22, 1954, provides for the elimination of the checking credit balance from the MCMF depository account. However, the depository account should reflect transactions for which checks have been drawn increasing the Treasurer's holdings, in a manner similar to the Bullion Fund Depository Account. In order to amend your report, sheets 5 to 8 inclusive are returned herewith, original and copy, with pencil notation indicating the additional information required on sheet 5. The return of all the enclosed sheets was necessary in order to change the sheet totals of the debit and credit value columns. Please resubmit these account sheets amended in accordance with the above as soon as possible.

Very truly yours,

Director of the Mint

Superintendent
United States Mint
Denver, Colorado

Dear Madam:

Reference is made to your letter dated March 21, 1955 to the Veterans Administration, regarding the exposed x-ray film processed.

You are authorized to purchase the silver recovered from the film as Silver Bullion Ordinary, at market price. A Bullion Fund check should be issued to the Veterans Administration for the net amount of the bullion, after deducting the cost of processing. Gross and net value of the silver will be shown on Form 39X and the Abstract of Deposits, and cost of processing shown as "Other Charges" on these documents. The appropriation will be reimbursed for the cost of this work by issuing a certificate of deposit on Standard Form 209. Amount of the reimbursement will be reported as a separate item in the Revenue account on the Bullion Fund Account Current.

A statement, similar to the following example, should be furnished to the Veterans Administration:

Value of silver recovered	
(88.68 fine troy ounces @ 88¢	\$ 78.00
Less experimental cost of processing film.	68.00
Net amount due	<u>10.00</u>

Please attach a copy of this statement to Mint Form 39X.

Very truly yours,

/s/ W H Brett

Dear Madam:

An administrative review and audit of your Bullion Account Current for October 1955 revealed certain discrepancies which are summarized below.

Item	As reflected on BAC	Reported on Cashier's Daily
1. Uncurrent Sub'y Silver Coin:		
A. Dr:-Rec'd by transfer	\$20,003.20	(\$17,000.00 - 10/18 (3,000.00 - 10/27
B. Cr:-Charged back to banks.	207.25	204.05 - 10/5
2. Uncurrent Minor Coin:		
A. Cr:-Melted, bronze	\$ 9,972.03	\$ 9,860.93 - 10/18
B. Cr:-Charged back to banks.	\$ 56.35	\$ 167.45 - 10/5

It should be noted that item 2A does not effect the amount reported received and the loss pertinent to the same. Please explain the reason for the contradictory reporting and submit an amended Bullion Account Current as soon as possible.

All current balances of the Bullion Account Current are correct, and all year totals are correct, as shown December 8, 1955. \$ to show the correct detail of the two months in the "Current Year Data" account.

Director of the Mint,
Washington,
D.C.

Very truly yours,

Respectfully,

Dear Sir:

In reply to your letter of December 2nd in regard to our Bullion Account Current for October, 1955, an explanation of the items revealing discrepancies is set out below:

Uncurrent subsidiary silver coin as shown on Bullion Account Current:

Received by transfer				\$20,003.20
Overage in dimes	T.A. 77	\$.20	10-5-55	
Overage in halves	T.A. 775	3.00	10-5-55	
Transfer on	T.A. 366	17,000.00	10-18-55	
Transfer on	T.A. 367	3,000.00	10-27-55	
		<u>\$ 20,003.20</u>		

Charges back to Banks

Shortage in dimes	T.A. 119	\$.10	10-5-55
Shortage in halves		10.00	
Shortage in quarters		11.25	
Shortage in dimes	T.A. 44	47.80	10-5-55
Shortage in dimes	T.A. 776	138.10	10-5-55
		<u>\$ 207.25</u>	

Uncurrent subsidiary silver coin as reported on Cashier's Daily:

Charges back to Banks

Shortages on T.A. 119, 44, 776			
as set out above	\$ 207.25	10-5-55	

Received by transfer:

Overages in dimes	T.A. 77	\$.20	10-5-55
Overages in halves	T.A. 775	3.00	10-5-55
		<u>\$ 3.20</u>	

Net charge back to Banks	\$ 204.05	10-5-55
--------------------------	-----------	---------

Transfers on	T.A. 366	\$ 17,000.00	10-18-55
Transfers on	T.A. 367	3,000.00	10-27-55

Uncurrent Minor Coin shows \$9,972.03 coin melted, bronze, whereas the correct amount is / \$9,860.93 bronze coin melted. The amount of \$56.35 shown charged back to banks should be \$167.45. The error was caused by picking up in the total of \$9,972.03 the amount of nickel coin charged back in the amount of \$111.10. The loss pertinent to the melting of \$9,860.93 of bronze coin in the amount of \$183.31 is correct.

As all account balances of the Bullion Account Current are correct, and all page totals are correct; we enclose a retyped page No. 5 to show the correct detail of the two amounts in the "Uncurrent Minor Coin" account.

Very truly yours,

N/n

IN REPLYING QUOTE INITIALS

August 1, 1955

Superintendent
United States Mint
Denver, Colorado

Dear Madam:

Reference is made to the 81,380.24 fine ounces of silver you are holding in custody for the Government of the Philippines. The disposition of this silver has been discussed with representatives of that Government and it has been decided to make the silver available at the New York Assay Office.

The New York Assay Office has been advised to transfer to you, by book entry, during the early part of August 1955, 81,380.24 fine ounces of silver at market value, issuing Form 12 to cover. Upon receipt of this document, you are authorized to "wash out" the custody account of the Government of the Philippines and include the silver in your Bullion Ordinary Account as a transfer from the New York Assay Office. The following entries will be used to record this transaction:

Dr. 127.1 Silver Bullion Ordinary
Cr. 150 Bullion Fund

It is requested that you include with your Bullion Account Current, for August, a Form 1026 - Foreign Metal Statement, showing the transaction as: "Disposed of to the Government of the Philippines through the New York Assay Office".

Very truly yours,

Director of the Mint

Dear Sir:

The Mint at Denver, Colorado is holding in custody for the account of the Government of the Philippines, 81,380.24 fine ounces of silver which represents the balance of a coinage order completed some time ago. In order to comply with this decision, it is requested that you transfer, by book entry, 81,380.24 fine ounces of silver at market value to the Mint at Denver, Colorado and set aside a like amount for the account of the Government of the Philippines. The following entries will be used to record this transaction:

Dr. 150 - Bullion Fund
Cr. 127.1 - Silver Bullion Ordinary

It will be appreciated if this transaction is accomplished early in August in order that Denver may record their part of the transaction in the same month.

OFFICE OF
DIRECTOR OF THE MINT
IN REPLYING QUOTE INITIALS

May 14, 1956

Superintendent
United States Mint
Denver, Colorado

Dear Madam:

Reference is made to the credit transactions reflected in the "Un-current Minor Coin Account", page 5, of your Bullion Account Current for March 1956.

Administrative review of the account revealed the following discrepancies:

<u>Item</u>	<u>Reported on BAC</u>	<u>Reported on Cashier's Daily</u>
1. Melted, bronze	\$ 6,283.73	(\$ 3,270.13 - 3/19/56 (2,993.67 - 3/26/56 (6,263.80
2. Charged back to Banks	\$ 0.45	\$ 20.38 - 3/9/56

It should be noted that the above changes do not affect the amount reported recoined, the loss pertinent to the same, and the column totals of the BAC pages. The account held by this office has been changed to conform with the amounts reported on the Cashier's Daily reports and it is requested that your file copy be amended accordingly.

Further reference is made to a letter from the Bureau, dated December 2, 1955, regarding the same types of discrepancies brought to your attention relative to the Bullion Account Current for October 1955. It is requested that in the future entries in the bullion accounts be made in such a manner as to agree with the transactions reported on the Cashier's Daily Statement.

Very truly yours,

Director of the Mint
